## PERFORMANCES + DEMOS

 [wenatchee.makerfaire.com](http://wenatchee.makerfaire.com)

BROUGHT TO YOU BY

In addition to our 60+ exhibitor booths, we have four entertaining and educational presentations throughout the day. These are all great for the whole family!

★ 10:00 AM | Maker Demo Room

### HOME REMEDIES FOR INFLAMMATION

with Dr. Allegra Hart  
Naturopathic Doctor, Naturae Clinic

Common kitchen ingredients are powerful inflammation fighting tools! Learn how you can use ingredients in your kitchen at home to reduce pain and inflammation. Dr. Allegra will have ingredients on-hand and show you how to create your own remedies.

★ 11:00 AM | Maker's Stage

### JASON SIMS MAGIC

A Wenatchee local, Jason Sims has been doing magic for twenty years. His special brand of close-up conjuring and mentalism is fun and astonishing for all ages. He honed his talents in the Army, especially during his deployment to Iraq in 2007. There he entertained his fellow soldiers, local kids, and coalition forces from around the world. Jason performs magic locally these days, sharing his mystical gifts to inspire connection and amazement within the community.

★ 12:30 PM | Maker's Stage

### KITES: MORE THAN A TOY

with Nic O'Neill  
Owner and creator of Fortuna Found

How can something as simple as paper, sticks and string be the starting point and inspiration for countless ideas, designs, and engineering marvels? With a low barrier to entry, and almost no risk, kites have helped us learn to fly and understand weather patterns. They have also stood as cultural symbols, religious icons, and platforms for art in almost every culture in the world. In this presentation we will discover how Kites help us explore our creativity and open a world of possibilities.

★ 1:30 PM | Maker's Stage

### THE MARVEL OF ENERGY TRANSFER

with Bob Bauer  
Rocky Reach Discovery Center, Chelan County PUD

Discover the wonder of moving, sharing and utilizing the world of energy. Energy comes in many forms that can transfer into other forms that we can use to make life better. This is a great hands-on, engaging presentation for children and adults alike!

By entering the Wenatchee Mini Maker Faire (WMMF), you enter an area where photography, audio, and video recording may occur. By entering the event premises, you consent to interview(s), photography, audio recording, video recording and its/their release, publication, exhibition, or reproduction to be used for news, web casts, promotional purposes, telecasts, advertising, inclusion on websites, social media, or any other purpose by WMMF and its affiliates and representatives. You release WMMF and each and all persons involved from any liability connected with the taking, recording, digitizing, or publication and use of interviews, photographs, computer images, video and/or sound recordings. By entering the event premises, you waive all rights you may have to any claims for payment or royalties in connection with any use, exhibition, streaming, web casting, televising, or other publication of these materials, regardless of the purpose or sponsoring of such use, exhibiting, broadcasting, web casting, or other publication irrespective of whether a fee for admission or sponsorship is charged. You also waive any right to inspect or approve any photo, video, or audio recording taken by WMMF or the person or entity designated to do so by WMMF. You have been fully informed of your consent, waiver of liability, and release before entering the event.
